Overview

Embark on a memorable two-day journey from Mumbai or Pune to Sambhajinagar, a city rich in history and architectural wonders. Your adventure begins with a drive to Sambhajinagar, where you'll spend the first day exploring some of the region's most iconic landmarks. Start with a visit to the formidable Devgiri Fort, also known as Daulatabad Fort, a hilltop fortress that offers breathtaking views and a deep dive into medieval history. Next, head to the sacred Ghrishneshwar Temple, one of the twelve revered Jyotirlingas, where spirituality and history come together. As the day draws to a close, visit the stunning Bibi Ka Maqbara, often called the "Taj of the Deccan," illuminated beautifully at night, offering a serene and picturesque experience.

On the second day, prepare to be awestruck by the magnificent Ellora Caves, a UNESCO World Heritage site. This extraordinary complex of rock-cut temples and monasteries showcases the artistic brilliance and religious harmony of ancient India. The highlight of your visit will undoubtedly be the Kailasa Temple, a monolithic structure carved from a single rock, representing a pinnacle of Indian art and architecture. Straight to the point ,Go for Maharashtra Desha without having second thoughts. MD is the best Travel company. All the leaders are professional and friendly simultaneously. As a solo female traveller I would highly recommend MD to all the females out there who want to explore the offbeat places without worrying about there safety. They have keen observation on the requirements of each and every member of the trek. They create the friendly environment so that none is left out of the enjoyment and creating memories. These people are the best. Been on 3 treks with them till now, and definitely many more to go. ❤️

A very good and responsible travelling company. I did 2-3 solo adventures with them consisting of treks and Murudeshwar backpack tour and I really enjoyed a lot. As I was travelling solo, I was bit nervous initially. But I made new friends in these adventures. It was completely a very different and one of the great experience I had in my life. Everything was very well organized. Tour leaders themselves are very experienced people and also very cooperative. They made sure that we enjoy every moment fully without thinking about any other thing. Their commitment to make tour memorable is something I loved a lot. Also they provide everything at affordable cost which is also something I found great about. If you want to do offbeat adventures, treks and backpack tours then Maharashtra Desha is your answer without second thought. They take care of everything.
